This apartment is granted access by family, friends, and associates (including those who have received this email or Online and SNS) only when the resident is out on a business trip, vacation, or etc, and not given grantee for long-term stays by others to live or use. We also do not approve of any actions that may disturb the other residents of the apartment or the original resident's rules.

Our purpose is not revenue at all from providing the rooms like hotel service, on the evidence we have only dealing with Airbnb by online service, and never get a money from users.
